(1) MOS Color Video Camera

Was \$1699.95 in our 1982 Camera Book, page 43. This solid-state color video camera was once only a technological dream, but today it's a reality and Sears has it! The heart of the camera is the image sensor, or MOS (Metal Oxide Semiconductor) chip. No larger than a postage stamp, it outperforms conventional pickup tubes, providing high reliability, outstanding resolution, and low power consumption. No "burn-in" or after images even if camera is briefly pointed directly at bright light. No camera "lag" when panning from subject to subject. 1.5-inch electronic viewfinder gives you convenient focusing and picture angle determination; it's also a monitor for playback. Inside the viewfinder, LED indicators inform you of recording operation, underexposure and low battery.

FEATURES: F/1.4 (f=12.5-75 mm) motorized zoom lens with 6x magnification. Macro setting for super closeups. Automatic iris adjusts the amount of light entering the lens based on lighting conditions. Detachable pistol grip handle. VCR remote switch and power zoom can be operated from grip. Instant-on means virtually no warmup. Front boom mike. Pause control. Color temperature control (white balance). Sensitivity switch for improved image in low light situations. External mike jack. Standard tripod mount. Rugged construction yet weighs only 3.8 pounds, making it ideal for hours of outdoor usage. When pause mode continues for more than several minutes, activate power saver switch to reduce power consumption. 12.2x11.9x6.4 inches overall.

ELECTRICAL ORDER INFO: Has the lowest power consumption of any camera we sell. Draws only 5.8 watts. 1-watt DC standby. 6 1/2-foot cable. In-home VCR's require AC adapter (sold in [E] Book). Camera may be used with two 33-foot extension cables ([E] sold below, left). See our 1982 Fall [E] Book for Sears specific written warranty or write for free copy, see page 376. See "N" suffix note, page 376.

(2) Color Video Camera

Electronic viewfinder lets you monitor exactly what the camera sees so you can instantly check what you've recorded. Also monitor the audio while you're recording with earphone (included).

LENS: F/1.6 (f=14-84 mm) zoom lens with [E] magnification.

FEATURES: Macro adjustment for closeups. Detachable pistol-grip handle. Front boom mike. Rear condenser mike. Pause control. Color temperature (white balance). Sensitivity switch for an improved image in low light conditions. LED's for VCR start/low light/battery low/white balance. External mike jack. Standard tripod mount. 12.2x2.8x9.7 inches overall.

ELECTRICAL ORDER INFO: 6 1/2-ft. cable. In-home VCR's require AC adapter (sold in [E] Book). Camera may be used with two 33-foot extension cables ([E] sold below, left). Draws 6.5 watts. 1-watt DC standby. See our 1982 Fall [E] Book for Sears specific written warranty or write for free copy, see page 376. See "N" suffix note on page 376.

(3) Portable 3-way powered VCR

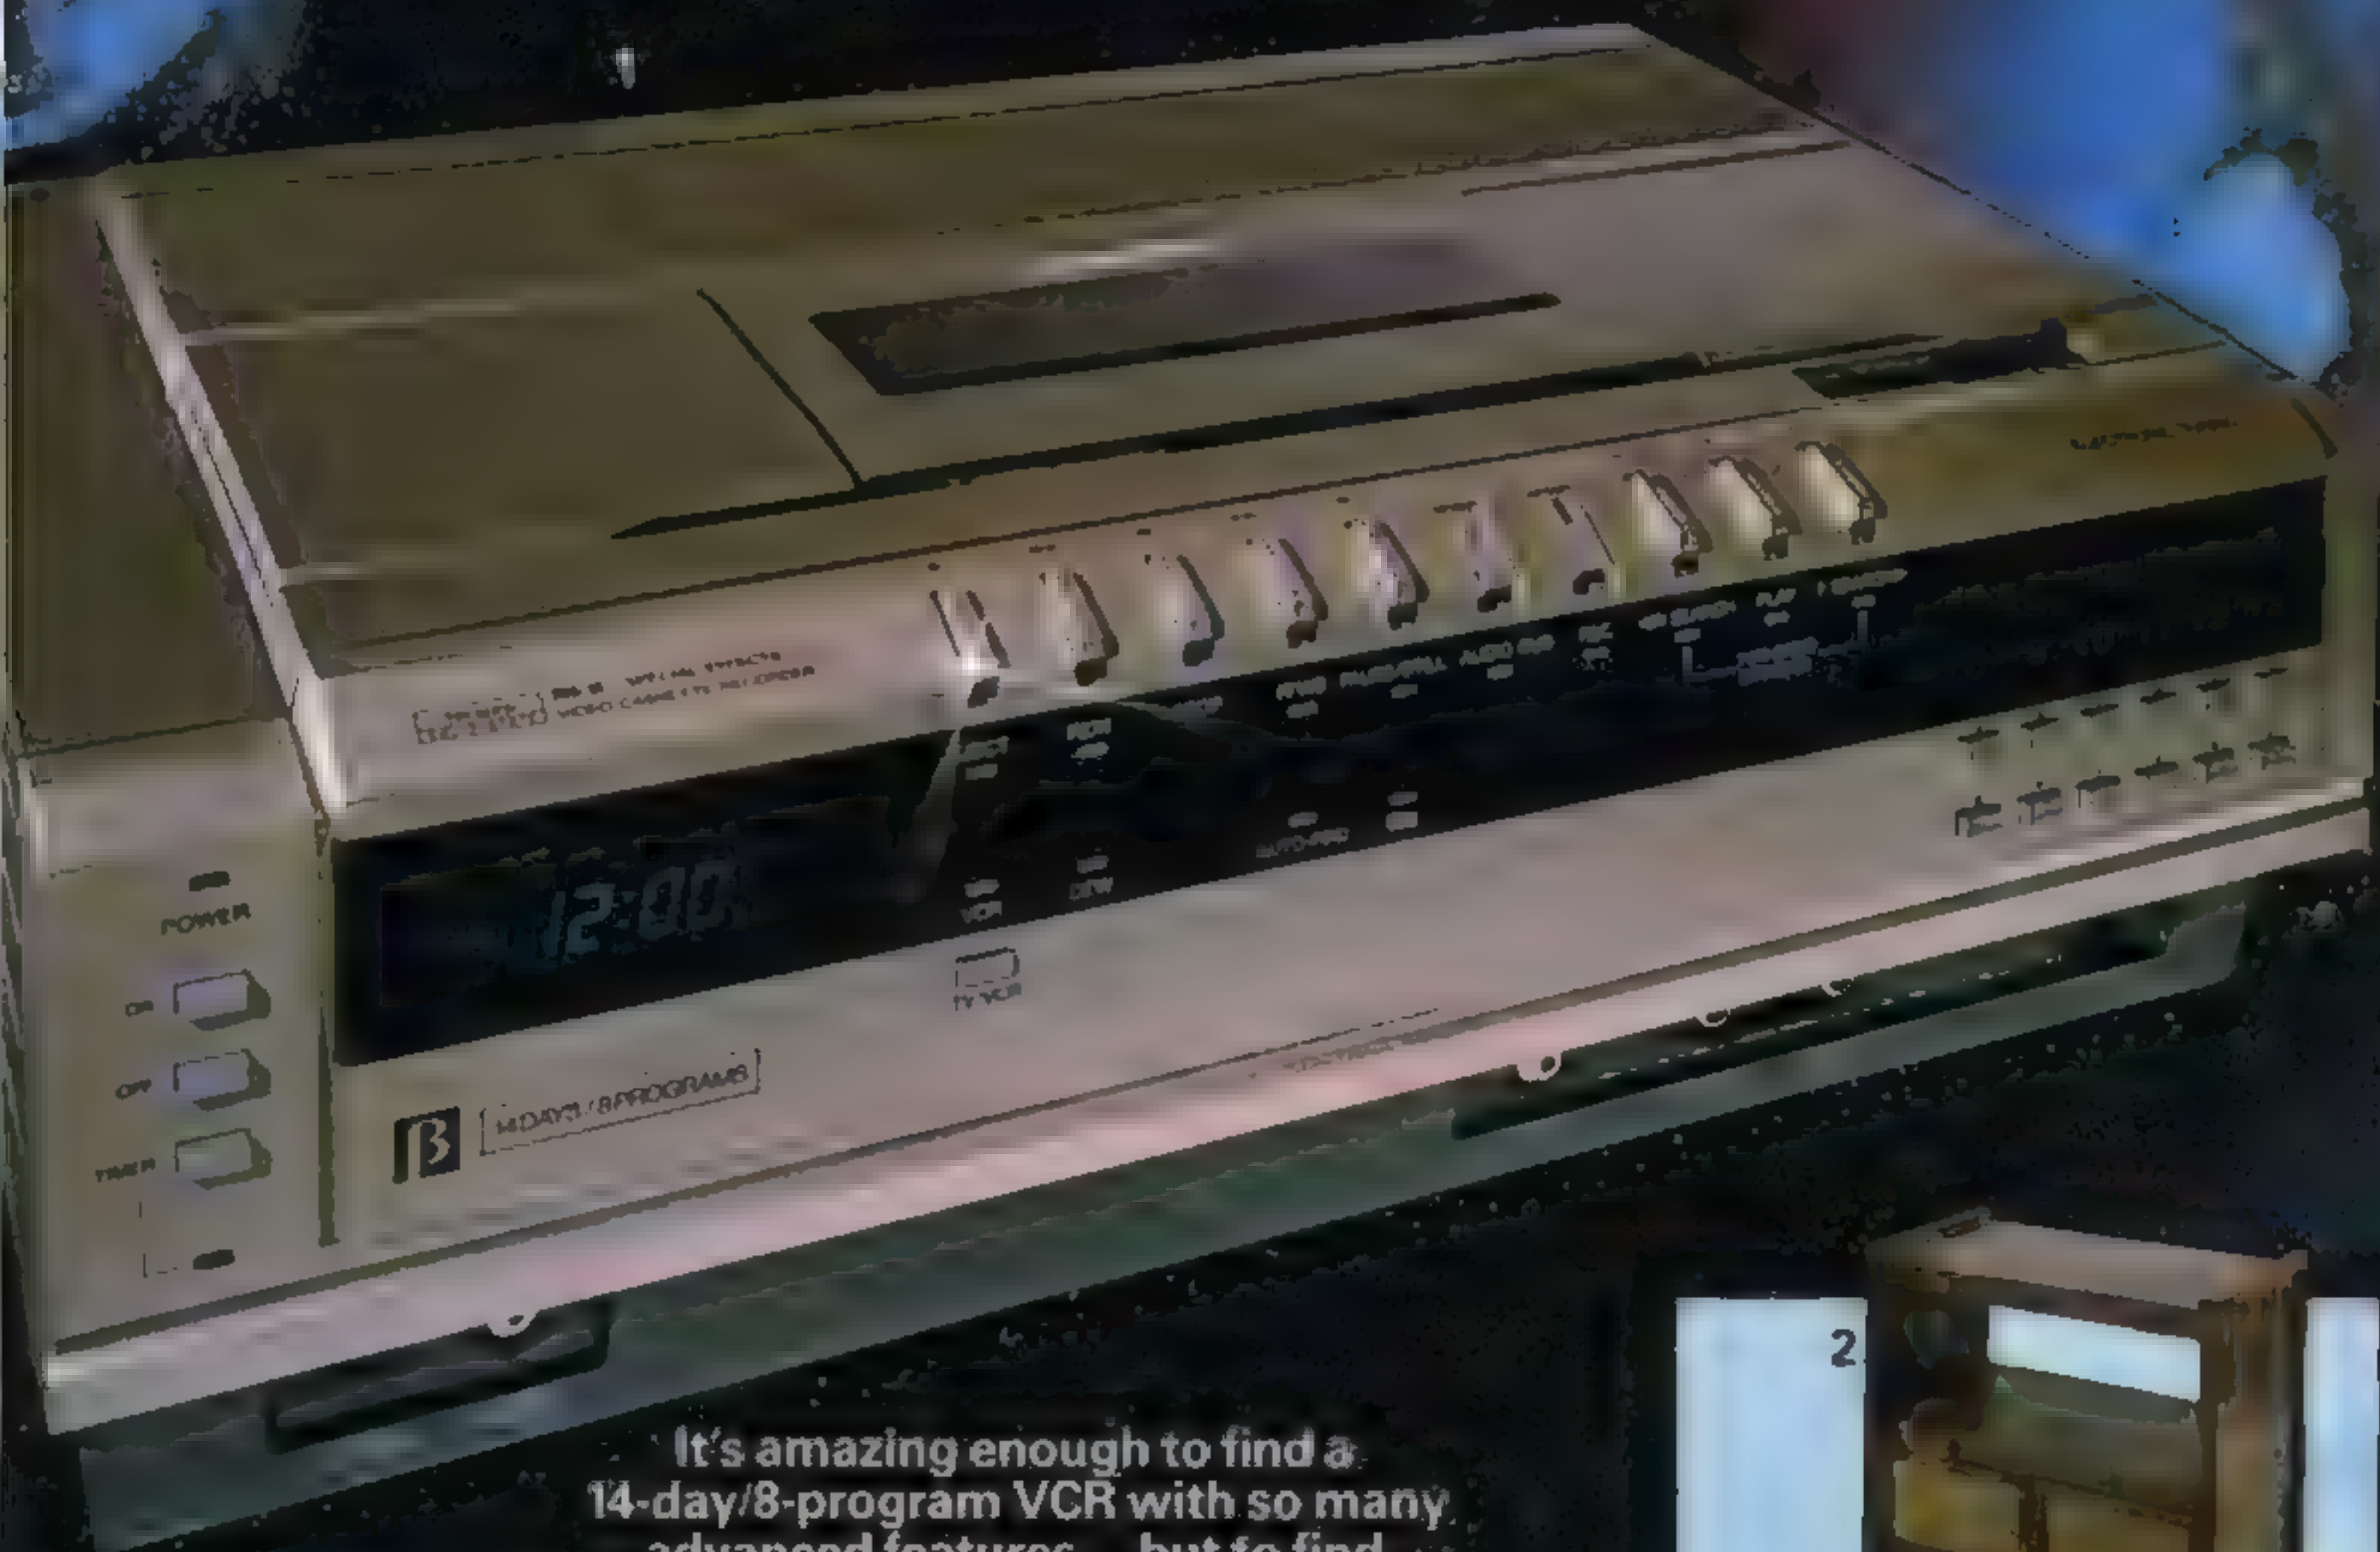

To tape outdoors all you need is VCR deck and a camera (not included). Portable deck weighs only 11.7 lbs.

FEATURES: For conventional in-home use 14-day/8-program capability allows you to program VCR to start and stop up to 8 times over a 14-day time period. Enjoy clear, noise-free special effects. Slow motion, "frame-by-frame" lets you advance picture, break up action into individual bits of movement. Freeze-frame for stop-action stills. "Create" programs by dubbing in music or your own voice. Tracking control. Single-speed BetaScan on deck; variable speed BetaScan on remote. Separate Tuner. Electronic voltage synthesized LED readout. Houses AC power supply, built-in charger, TV/camera switching. Playback on channel 3 or 4 (inactive channel). Remote control commands [E] special effects including pause function. [E] has 20-ft. cord.

CONSTRUCTION: Deck and tuner both measure 11x4.6x10.8 in. high. Black cabinets with silver-color fronts. Carrying handle. Includes shoulder strap, 1-hour Beta tape, 75-ohm connector cable, 300-75 ohm antenna adapter, UHF/VHF signal splitter, owner's manual/instructions.

ELECTRICAL ORDER INFO: UL listed, 120-volt, 60-Hz. AC. 8-foot cord. Also works on 1 rechargeable, one-hour, on-board battery (included), optional additional battery or DC adapter. Draws 70 watts AC; [E] 3 watts DC. See our 1982 Fall [E] Book for Sears specific written warranty or write for free copy, see page 376. See "N" suffix note, page 376.

(1 thru 3) Create your own heirloom art with our Heraldic Needlework Kits

Canterbury Arms, an established heraldic research institution, will trace your family surname back to its British or European beginnings, often as far back as the 12th century. Through this exhaustive research, your original and authentic family surname coat of arms will be secured. Your coat of arms will then be hand-painted and transferred in full color to your latch hook or needlepoint canvas. A thoughtful, personal gift to give—or receive!

(1 and 2) Heraldic Latch Hook Kits

KIT INCLUDES: Cotton and polyester canvas, pre-cut acrylic yarn, latchhook tool. Step-by-step instructions. Also includes 12 page descriptive booklet of heraldry, research verification report and a 10x17-inch family tree chart. Hang bars listed separately, below.

ORDER INFO: See Note and Shipping Note, below. *Print family surname.*

Items (1 thru 3) NOTE: Although Canterbury Arms has the resources to search out and authenticate the earliest known coat of arms for your family surname, it does not trace the lineage of specific individuals. If your name is one of the few for which there is not a traceable British or European coat of arms, your order will be returned with our apologies.

Items (1 thru 3) and Hang Bars SHIPPING NOTE: "F" items (as F 24 E 76899V) from factory in Alexandria, Va. Allow extra time. No C.O.D.'s. Pay shpg. handling charges from Catalog Merch. Dept. Center. Orders placed after Nov. 1, 1982 may not be received by Christmas.

(4 thru 9) Give your family a mark of distinction with Heraldic Items

Express your family pride with handsome heraldic items. Most come with the authenticated crest or the oldest known coat of arms for your British or European family name or a variant spelling of it. Also included is a certificate of authenticity verifying the research and art execution of your family surname heraldic shield.

ON THESE 2 PAGES PHASAR™ QUARTZ WATCHES

**99.9994%
ACCURATE**

For 1 year from date of purchase Sears WARRANTS the works; inside and out:

- Accuracy within 3 minutes per year
- Against defects in materials or workmanship including: Movement or module, case, crystal . . . return to any Sears Store for free repair under this warranty, see below

Phasar™ quartz watches have superb accuracy . . . the quartz crystal, energized by the battery, oscillates consistently and rapidly (32,768 times per second). Battery power for convenience . . . you never have to wind your watch. Solid state quartz circuitry for durability . . . our digital watches have no moving parts, and our conventional watches have fewer moving parts than other conventional watches . . . that means less chance for breakage, malfunction or wearing out.

Thinsulate® Insulated Gloves

The microfibers in Thinsulate® insulation's unique construction (as shown at left) provide many times more surface area to more efficiently capture or trap insulating air than do the larger fibers in common competitive insulations. Inch for inch, Thinsulate® insulation is nearly twice as warm as most commonly used insulations. Thinsulate® insulation is breathable, washable and dry cleanable. Thinsulate® insulation fibers absorb less than 1% of their weight in water, so it can keep you warm even in damp conditions.

The process used to take the picture at the right is the same process that is used to determine the heat loss in a home. The left side of this garment shows light green and light blue indicating that there is more heat escaping. The dark blue area on the right, the Thinsulate® side, is retaining more heat.

SEARS, ROEBUCK AND CO. SEARSCHARGE SECURITY AGREEMENT

On all charges to my SearsCharge account, I agree to the following:

1. **OPTION TO PAY IN FULL EACH MONTH TO AVOID FINANCE CHARGES.** I have the right each month to pay the total balance on my account. If I do so within 30 days (28 days for February statements) of my billing date, no Finance Charge will be added to the account for that month. The billing date will be shown on a statement sent to me each month. The total balance on my billing date will be called the New Balance on my monthly statement.

2. **OPTION TO PAY INSTALLMENTS PLUS A FINANCE CHARGE.** If I do not pay the total balance in full each month, I agree to make at least a minimum payment within 30 days (28 days for February statements) of the billing date shown on my monthly statement. The minimum payment required each month is shown in the Schedule of Minimum Monthly Payments below.

3. **SCHEDULE OF MINIMUM MONTHLY PAYMENTS.** The required minimum monthly payment is based on the highest New Balance on the Account.

When the Highest New Balance Reached:	The Minimum Monthly Payment will be:	When the Highest New Balance Reached:	The Minimum Monthly Payment will be:
\$.01 to \$ 10.00	Balance	\$340.01 to \$380.00	\$18.00
10.01 to 180.00	\$10.00	380.01 to 410.00	19.00
180.01 to 180.00	11.00	410.01 to 440.00	20.00
180.01 to 200.00	12.00	440.01 to 470.00	21.00
200.01 to 220.00	13.00	470.01 to 500.00	22.00
220.01 to 240.00	14.00	Over \$500.00—1/23rd of	
240.01 to 260.00	15.00	Highest Account Balance	
260.01 to 290.00	16.00	rounded to next	
290.01 to 340.00	17.00	higher whole dollar amount.	

I always have the right to pay more than the required minimum monthly payment. The minimum payment will change only if charges to the account increase the balance to a new high. The minimum payment will not decrease until the New Balance is paid in full.

4. **FINANCE CHARGE.** If I do not pay the entire New Balance within 30 days (28 days for February statements) of the monthly billing date, a Finance Charge will be added to the account for the current monthly billing period. The **FINANCE CHARGE** will be either a minimum of 50¢ if the Average Daily Balance is \$28.50 or less, or a periodic rate of 1.75% per month (**ANNUAL PERCENTAGE RATE** of 21%) of the Average Daily Balance.

5. **HOW TO DETERMINE THE AVERAGE DAILY BALANCE.** Sears will determine each day's outstanding balance in the monthly billing period and divide the total of these daily balances by the number of days in the monthly billing period. The result is the Average Daily Balance. Sears will include the current month's charges, but will not include unpaid Finance or Insurance Charge(s), if any, when determining a daily balance. All payments and other credits will be subtracted from the previous day's balance.

6. **FAILURE TO MAKE MINIMUM PAYMENT.** If I do not make at least the minimum required monthly payment when due, Sears may declare my entire balance immediately due and payable.

7. **SECURITY INTEREST IN GOODS.** Sears has a security interest under the Uniform Commercial Code in all merchandise charged to the account. If I do not make payments as agreed, the security interest allows Sears to repossess only the merchandise which has not been paid in full. Upon my default, Sears may charge me reasonable attorneys' fees and expense incurred in realizing on a security interest. I am responsible for any loss or damage to the merchandise until the price is fully

paid. Any payments I make will first be used to pay unpaid Insurance or Finance Charge(s), if any, and then to pay for the earliest charges on the account. If more than one item is charged on the same date, my payment will apply first to the lowest priced item.

8. **CHANGE OF TERMS—CANCELLATION.** Sears has the right to change any term or part of this agreement by sending me a written notice. Sears also has the right to cancel this agreement as it relates to future purchases. I agree to return all credit cards to Sears upon notice of such cancellation.

9. **STATE OF RESIDENCE CONTROLS TERMS.** All terms of this agreement are controlled by the laws of my state of residence.

10. **CHANGE OF RESIDENCE.** If I change my residence, I will inform Sears. Sears has the right to transfer the account to a unit servicing my new residence. If I move to another state, the account, including any unpaid balance, will be controlled by the credit terms which apply to Sears credit customers in my new state of residence. Sears will provide me with a written disclosure of any new terms, including the amount and method of calculating the Finance Charge.

11. **AUTHORIZED BUYERS.** This agreement controls all charges made on the account by me or any person I authorize to use the account.

12. **CREDIT INVESTIGATION AND DISCLOSURE.** Sears has the right to investigate my credit, employment and income records, and has the right to verify my credit references and to report the way I pay this account to credit bureaus and other interested parties.

13. **WAIVER OF LIEN ON DWELLING.** Sears gives up any right to retain or acquire any lien which Sears might be automatically entitled to by law on my principal dwelling. This does not apply to a lien created by a court judgment or acquired by a filing as provided by statute.

14. **ACCOUNT SUBJECT TO APPROVAL OF SEARS CREDIT SALES DEPARTMENT.** This agreement and all charges on the account are subject to the approval of Sears Credit Sales Department. The agreement will be considered approved when Sears delivers a Sears credit card or other notice of approval to me.

15. **ASSIGNMENT OF ACCOUNT—PROTECTION OF BUYER'S RIGHTS.** I understand this account may be sold or assigned by Sears to another creditor without further notice to me. If so, the notice below, which is required by Federal law, is intended to protect any claim or right I have against Sears.

NOTICE: ANY HOLDER OF THIS CONSUMER CREDIT CONTRACT IS SUBJECT TO ALL CLAIMS AND DEFENSES WHICH THE DEBTOR COULD ASSERT AGAINST THE SELLER OF THE GOODS OR SERVICES OBTAINED PURSUANT HERETO OR WITH THE PROCEEDS HEREOF. RECOVERY HEREUNDER BY THE DEBTOR SHALL NOT EXCEED AMOUNTS PAID BY THE DEBTOR HEREUNDER.

NOTICE TO BUYER: 1. DO NOT SIGN THIS CREDIT AGREEMENT BEFORE YOU READ IT OR IF IT CONTAINS ANY BLANK SPACES. 2. YOU ARE ENTITLED TO A COMPLETELY FILLED IN COPY OF THIS CREDIT AGREEMENT. KEEP IT TO PROTECT YOUR LEGAL RIGHTS. 3. YOU HAVE THE RIGHT TO PAY THE ENTIRE BALANCE AT ANY TIME.

Apply now for the Sears Credit Card and enjoy all these benefits—

1 Order by phone when you can't come in. Just look up the number of Sears Catalog Telephone Sales in your local phone book. Tell the salesperson you want to place a catalog order...give your name, Sears Credit Card number, and say "Charge it!" In many areas, we take calls 24 hours a day. You can pick up your order at your nearest Sears Store, or, in most areas, arrange for convenient home delivery.

2 Nationwide Credit at Sears. The Sears Credit card is accepted at over 3400 Sears Stores across America. So wherever you live or travel, you can say "Charge it!" at a nearby Sears. If you move to another state, your Sears Credit account will be conveniently transferred to your new location. You'll have credit available at a Sears Store near you without having to wait months to satisfy job or residency requirements.

3 No annual fee and no hidden credit charges either. You can budget your payments over many months, if you like, and finance charges are always fully disclosed on your Sears statement.

4 Take advantage of Sears special sales. Your Sears Credit Card lets you take advantage of savings during Sears sales or

special offers, even if it's not convenient for you to pay cash at the time.

5 "We Service What We Sell!" Your Sears appliances take on new value when you realize we provide service in every area we have a Retail Store, Service Center, or Catalog Sales Store. The dishwasher you buy from Sears in California can still be repaired even if you move to New York. Laundry equipment, refrigeration equipment or bulky items can usually be repaired in your home.

6 "Satisfaction Guaranteed or Your Money Back." For over 90 years Sears has stood behind this promise to our customers. All your purchases are backed by Sears reputation for prompt and courteous service.

HELPFUL INFORMATION ABOUT YOUR SEARS CATALOG ORDER

SAVE THIS CATALOG

You can order any item on pages 39, 248, 247, 249-251, 290-298, 306-314 and 487 thru 647 at 1982 prices thru August 31, 1983. All other prices in effect thru February 15, 1983 unless stated otherwise.

REGARDING OUR CATALOG PRICES

Following the policy in effect since our founding in 1886, prices quoted in Sears catalogs do not include (unless stated otherwise) charges for handling and shipping of goods from our Catalog Merchandise Distribution Center to a Sears catalog selling unit for pick-up, or for delivery to your home. The shipping and handling charges may differ depending on method of shipping. Information on how shipping weights are determined and details on shipping and handling charges for shipping by USPS/UPS or non-Sears truck can be obtained from the yellow customer information pages of our Big Book. Specific details on charges for handling and shipping to a Sears catalog selling unit for pick-up or redelivery (if available) can be obtained from the unit, either at the counter or over the phone.

Prices in this catalog apply only to orders placed by mail, telephone, telegraph or placed in person at a Sears Catalog Sales Store, an Authorized Catalog Sales Merchant, a Catalog Sales Department in a Retail Store, a Retail Catalog and Appliance Store or in a Sears Affiliated Store. Comparative pricing statements made in this catalog refer only to prices on merchandise offered nationwide through our own catalogs. Catalog merchandise prices and assortments may vary from those in our Retail Stores and between regional editions of a catalog.

ABOUT OUT-OF-STOCK MERCHANDISE

We make every effort to stock quantities of merchandise which we anticipate will be sufficient to fill orders until the expiration of this catalog. Since this catalog had to be prepared long before it reached you, and unexpected circumstances beyond our control can occur between preparation and expiration, occasionally an item you order may not be available when you order it. If an item you order should happen to be out-of-stock, here's what we'll do:

1. We will notify you as promptly as possible about the out-of-stock situation and give you our best information as to when a new supply is expected. If we don't anticipate being able to fill your order within 30 days, we will ask you to tell us whether you still want the item when it is again available. Naturally, if you tell us yes, we will charge you no more than the price in effect when you originally ordered.
2. At times we may send you an appropriate substitute item of equal or better value at the same price as your original order so that we may serve you faster. If the item is not satisfactory, you may of course, return it for a full refund, including shipping and handling charges.
3. If an appropriate substitute for the out-of-stock item is not available and it appears that additional stock cannot be obtained from our supplier, our only alternative is to cancel your order and provide a full refund.

We are constantly working to avoid any out-of-stocks, and we sincerely regret any situation, however occasional, where circumstances prevent us from meeting our goal.

COMMERCIAL QUANTITY ORDERS

The merchandise offered in all Sears catalogs is stocked in quantities intended to accommodate only individual or family needs. Therefore, we reserve the right to limit quantities in order to properly serve all of our customers. For details on commercial quantity orders, please contact Sears Contract Sales, Department 732G, Sears Tower, Chicago, IL 60684.

ENERGY COST INFORMATION

Additional energy cost information is available for refrigerators, freezers, dishwashers, clothes washers, water heaters, room air conditioners and central furnaces by writing to address at right. Tell us that you want energy costs and give us the catalog number. Your energy costs may vary from those published in this catalog because of local energy rates and how you use the product. Energy label information on the merchandise may differ from that in this catalog due to revisions in the energy costs provided by the government after this catalog was printed.

SEARS GUARANTEE—Satisfaction Guaranteed or Your Money Back:

Whatever you buy at Sears, you have the right to use it for a reasonable time before you determine it is satisfactory and decide to keep it. If you decide it is not satisfactory, return it to us at our expense. We will do whatever is necessary to correct the cause of your dissatisfaction. If we can't satisfactorily provide a remedy, or if you request a refund, we will refund your full purchase price including appropriate delivery and finance charges and applicable taxes.

COPIES OF WARRANTY STATEMENTS

The warranty is included with any product covered by a specific written warranty. If you wish a free copy before you order, please state: catalog number, page number in catalog, description of product and the Manufacturer's name, if mentioned. Address your request to:

C.O.D. ORDERS

C.O.D. orders are accepted only for merchandise sent from a Catalog Merchandise Distribution Center to a Sears Unit. You may then pick up your order or arrange with your Sears unit for redelivery to your home (if available). If you request that your order be sent directly to you via USPS/UPS or non-Sears truck, you must include a money order, check or use your Sears Credit Account.

We do not ship C.O.D. orders for merchandise cut, engraved, printed or made to order, for merchandise shipped direct from factory or shipped to foreign countries or to anyone other than the person sending the order.

SHIPPING INFORMATION:

"N", "NH" suffix (such as 9-1234N) means that this item, if shipped directly to your home, is sent by motor-carrier. (See non-Sears truck information pages in our Big Book.) If you prefer, pickup your order at a Sears Catalog Selling Unit or ask about pickup charges. Home delivery through a Sears unit may also be available, please inquire.

Parts of your order may be shipped from points other than your distribution center and may therefore arrive separately at different times.

UNITED STATES POSTAL SERVICE (USPS)/

UNITED PARCEL SERVICE (UPS) SHIPPING INFORMATION

Service and parcel size restrictions limit our use of both the United States Postal Service (USPS) and United Parcel Service (UPS). For parcels qualifying for either USPS or UPS shipping, Sears will determine which method to use. With either shipping system, the table of Sears Shipping and Handling Charges for orders shipped by USPS/UPS applies.

USPS Restrictions—If you are served by a First Class Post Office (check with your Postmaster or Carrier), the parcel maximum weight is 40 pounds and may not exceed 84 inches—length and girth combined. All other Post Offices may deliver parcels up to 70 pounds—not exceeding 100 in. length and girth combined. "L" suffix items (as 3-64800L) cannot be shipped by USPS to a First Class Post Office for city delivery. To other Post Offices, "L" items weighing less than 15 pounds but measuring over 84 inches are charged at the 15 pound rate to your zone.

UPS Restrictions—The parcel maximum weight is 50 pounds and the maximum size is 108 inches—length and girth combined. This method of shipping is not available to P.O. Box addresses, nor is it available on shipments within certain states.

To determine shipping and handling charges for USPS/UPS parcels, first find your Parcel Zone in the table below. Next, add the weights of the items that do not have a "C" or "L" in the suffix and find the charge for the total weight in the table below for your Parcel Zone. Figure separate charges for the weight of each item with a "C" or "L" in the suffix since each must be shipped separately.

On cash orders include enough money for shipping and handling with your order since we must prepay parcels.

On Credit Orders, Sears computes charges and adds them to your account.

(D thru F) **Festive buttery batter Fruitcakes.** Each fruitcake is made from our old-fashioned recipe which calls for a butter-rich batter made with 17% country-fresh whole eggs, 1% high-score creamery butter. The butter batter is lighter-type fruitcake with vanilla used as the only flavoring, which brings out the full flavor of the fruits and nuts in each cake. No citrus peel or melon is used. After a traditional fruit and nut topping is added, each cake is slowly steam-baked and carefully glazed to insure that it keeps its full-flavored freshness. The result is a fruitcake as decorative as it is delicious.

(D) **Season's Delight Spicy Fruitcake.** Made from a traditional recipe that calls for a hint of molasses, an ideal choice for those who prefer a spicy fruitcake. A special mixture of golden and dark raisins, whole cherries and walnuts make up this cake's 48% fruit and nut content.

ORDER INFO: See Ship-a-Gift info. on page 375.

HOW TO MEASURE for Glass Door Firescreens for rectangular fireplace: Measure exact width (W) and height (H) of your fireplace opening. Firescreen mounts outside of opening; we provide correct overlap. If ordering a glass door firescreen for use with heat exchanger, subtract 1 inch from height of opening to determine height size of firescreen to be ordered.

CHRISTMAS TREE ASSEMBLY GUIDE

All our trees on pages 405 thru 407 assemble in one of the following ways:

Tiered panel. Multilayers of clustered branches hook onto pole for fullest, densest look.

Straight panel. Lengthwise strips form a section of branches for a full-looking, quick-assembly tree.

Metal Preassembled hinge. Branches are pre-attached; all you do is simply open into place.

Plastic unassembled hinge. Simply insert branches into hinge.

Fold-up/down. Pliable branches are permanently pre-attached; just unfold branches into place.

Stick-in. Coded branches must be inserted into tree pole.

Partly assembled. Tabletop trees come all set up; just place in tree stand.

(1) **CounterCraft™ Poppin' Plenty Hot Air Corn Popper.** Was \$24.99 in our 1982 Spring Big Book, page 866. Uses hot air instead of oil to pop low-calorie popcorn. Fill hopper with corn. Automatically measures the right amount of corn and feeds it into the hot air stream. The hot air will pop kernels larger than corn popped in oil poppers. Built-in butter melter melts and stores 2 tablespoons of butter.

COVER, BASE: Break-resistant, clear plastic chute. Almond-colored plastic base with butter melter. 7x12¾ inches high.

ORDER INFO: 30-inch cord. See electrical note below and warranty on page 425.

34 E 88928—Shipping weight 6 pounds 2 ounces. . . . \$17.99

(2) **New at Sears! Presto® Popcorn/Caramel Corn Maker.** Makes popcorn, cheese corn or caramel corn in one unit. Use ingredients from your own kitchen to create buttery rich caramel corn and many other candy-coated or cheese treats. Pops corn automatically. Signal light tells when popping finished. Add coating ingredients and mixing band to coat popcorn.

COVER, BASE: Clear Lexan® plastic cover acts as serving bowl. Base has non-stick interior surface. Brown-color enameled aluminum exterior. Removable mixing band. 4-quart capacity. 13x12 inches high. Recipe booklet included.

ORDER INFO: 2-ft. cord. See electrical note below. Warranted by Presto®, see page 376.

(1) You'll be amazed at the versatility of this MICRO/CONVECTION OVEN: use as a microwave for speed and efficiency, as a convection oven for browning and crisping or as a micro/convection oven for the best of both cooking formats

OUR LOWEST PRICE EVER

Cut \$140 \$549⁹⁵

Was \$689.95 in 1982 Spring Big Book, page 811. All 3 cooking modes (microwave, convection and micro/convection) can be used with these features: "Whole-meal" cooking lets you cook 3 different foods and have them done at the same time. . . . removable 2-position shelf allows for their correct placement. Computer-type electronic memory sets time and power for 3 separate cooking operations. . . . oven remembers to shift from one to another automatically. Temperature-sensing probe to cook by temperature. Insert probe into food and set desired temperature. . . . automatic Hold/Warm feature keeps food warm for 1 hour after that temperature is reached. Set cooking power, time and temperature with electronic solid-state touch controls; tone sounds with each entry and end of cycle. Digital electronic readout doubles as time-of-day clock. Pause Control programs a pause into any multi-stage operation. Memory Recall displays time, temperature and power for future cooking operations. 12-hour Delay Start lets you start cooking meals even when you're out. 100-minute countdown timer. Indicator lights for time, temperature, probe and cooking stages tell you which feature is in use or what digital readout number represents. Convection features include touch control to set pre-heat time or oven cavity temperature from 200°-450° with 10° increments. Temperature-sensing probe can be set from 90°-200° with 1° increments.

(3) 15-in. Convertible Trash Compactor. Was \$359.95 in 1982 Home Improvement Specialog, page 62.

Treat yourself to this feature-packed premium quality kitchen compactor designed exclusively for Sears. Convertible model measures just 15 in. in width—use free-standing or as a built-in. One compactor bag holds compressed household trash—three 20-gallon barrels. Saves time and steps. No more messy garbage bags to pack and carry.

MOTOR, COMPACTING MECHANISM: This model has exclusive "Extra-Pac" cycle that lets you adjust pressure according to your needs. Compacting ram extends to maximum position and stays there, increases bag capacity for fewer bag changes. 1/2-HP motor develops 2300 pounds pressure. 28-second regular cycle. Unit stops when door is opened.

CONSTRUCTION: Steel cabinet, mislead warning light, automatic liquid deodorizing system that helps check odors. Bag release latch opens drawers for trash removal. Combination safety key-lock and start/stop switch are removable to prevent accidental operation. Foot-operated drawer opens unit when hands are full. Stainless steel decorator trim on drawer front. Measures only 15 inches wide, 24 inches deep and 34 1/2 inches in height.

ACCESSORIES: Includes caddy to help you carry full compactor bag. Also includes two bags, one 8-oz. can of liquid deodorant, and operating and installation instructions.

ELECTRICAL INFO: UL listed, 110-120-volt, 60-Hz. AC. Approximately 460 watts per cycle. 6-foot cord included.

COLORS, ORDER INFO: This compactor is shipped with our fashionable black glass-look panel front but it also includes reversible panels for your personal color selection, white, almond, and golden wheat. The Wostenholm IXL Collection... distinctively crafted Collector's Knives impressively gift boxed for holiday giving

For over 200 years, the company George Wostenholm first started in Sheffield, England has been a world-wide leader in quality cutlery. After disappearing from the U.S. over 50 years ago, Sears offered the Wostenholm quality to you last year in our Christmas Book. Once again this year the same fine quality returns with these hand-crafted collector's knives, both with commemorative markings and official owner registration documents.

Scrimshaw is one of the few truly American art forms, developed by whalers who displayed their ingenious talent for carving using whalebone or whole ivory. Each of these knives is in itself a work of art, with hand-engraved ship scenes recreated from drawings and examples dating back to 19th century whaling days. Each scene differs slightly, yet is a classic example of Scrimshaw and was selected exclusively for this collector's edition.

Knife presented in handsome velvet-lined case accompanied by official registration document.

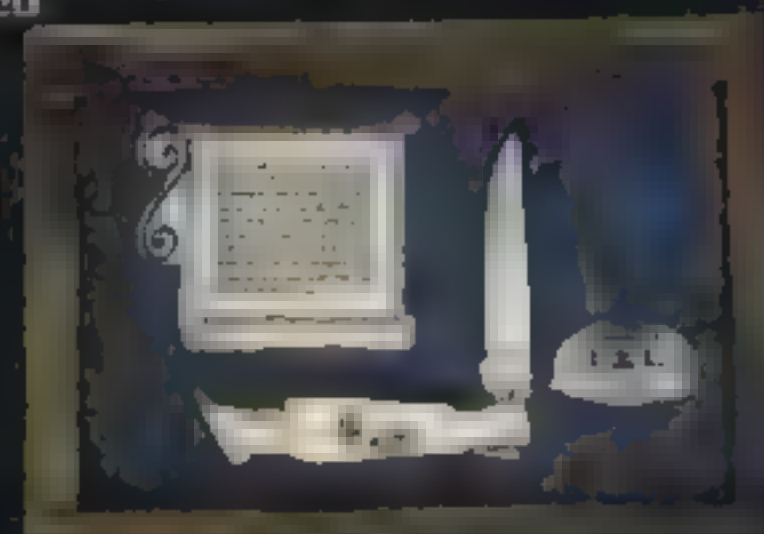

Personalized Lockback Knife with distinctive micarta handle and leather sheath.

(2 and 3) Limited edition Collector's Knives. Stainless steel blade with blade lock. Solid nickel-silver bolsters. Rear bolster has company hallmark and code initial "2" for the year 1982 identifying these knives as part of this year's limited collection. Serial number engraved on side bolster. Company banner etched on blade. Includes certificate of origin and documents for registering knife with company. Imported.
ORDER INFO: Allow extra time for delivery.

(2) 5-inch Personalized Lockback Knife. Includes leather sheath. Ivory colored handle, hand-finished from micarta, a processed material commonly used for collector's knives. Initials engraved on side personalizes knife (engraving included in price, print maximum 3 initials). Orders after November 14, 1982, may not arrive for Christmas.

Gifts for use around home and workshop

Only at Sears . . . Personalized Hand-painted Americana Mailboxes with 5-year warranty

This year, combine the richness and romance of our heritage with the warm Christmas tradition. Designs inspired by actual American heritage scenes that stir romantic visions of the past, individually hand-painted with careful attention to detail include nameplate and letters.

An ideal gift for someone on your Christmas list!

Americana Steamer Trunk Mailbox. A round-topped trunk from a private collection in Cleveland, Ohio provided the pattern for this unique mailbox. The trunk's use was widespread during the period of American immigration from 1870 to 1915. Countless numbers of these trunks were loaded aboard steamships to make the transatlantic journey from Europe to America. Thus, it became known as the "steamer trunk." The round-topped shape spurred its popularity because it discouraged the stacking of other luggage atop it. Today, the steamer trunk is popular as a decor item. With a proven usefulness and a spirit that captures our heritage.

Americana Schoolhouse Mailbox. The old District schoolhouse in Rosefield, Colorado was the model for this charming mailbox. This one-room type of schoolhouse rose in popularity after the Civil War as the West was gradually being settled. It popped up across the frontier lands, becoming known as the home of "corner schooling," a visible expression of respectability for the prairie community. Today, the historical one-room schoolhouse is considered a cultural artifact, and is currently the focus of a nationally funded preservation project.

Americana Barn Mailbox. Located in Columbia County, Wisconsin near Portage, the gambrel-roofed barn that inspired this mailbox is representative of a type of barn built in the 1800's. The roof, with its distinct double-slope profile, is designed for maximum loft storage and minimum snow build-up. Originally built in western Pennsylvania and New York, the design was carried west and has been found in almost all the 48 continental states. Today, this barn is still a highly functional structure reflective of American ingenuity.

(1 thru 3) Personalized Hand-painted Americana Mailboxes

CONSTRUCTION: Durable, weather-resistant Permanex polyethylene. Resists sea air and temperature extremes from 120°F to -30°F. Rustproof. Hand-painted. Each includes 18-in. plastic nameplate. Black and gold tone 2-inch high letters, mounting hardware. Nameplate on (2) requires cutting.

- 1 4-position Dome/Map Light
- 2 23-watt per channel Amplifier*
- 3 3-band Graphic Equalizer
- 4 LED Tuning Indicator
- 5 Volume Control with click stops
- 6 Separate Balance and Fader Controls
- 7 Sensitive AM/FM Stereo Tuner
- 8 REPEATRACK® Stereo Cassette Deck

AM/FM STEREO TUNER: 3 station reference guides aid in station selection. Muting button eliminates annoying noises while tuning between stations. Sensitivity selector switch (DX/Local) adjusts FM signal sensitivity helping to improve FM reception. Stereo auto button enables you to switch to monaural for a crisp sound from weak signals. INQ button helps eliminate electrical static noises caused by automobiles (including your own), motorcycles, etc. LED tuning indicator assists in locating optimum tuning location.

REPEATRACK® STEREO CASSETTE DECK: Locking fast forward and rewind. Repeatrack® begins playback automatically after rewind. Auto eject operates at tape's end or when ignition is turned off. Hi-filter switch reduces distracting hissing noises in the high frequency range.

STEREO PREAMPLIFIER: 3-band graphic equalizer with center-detent allows you to adjust tonal quality of music. Separate balance control with center-detent and numbered scale. Fader control with center-detent and numbered scale. Volume control with 21 separate detents gives you quick and sure volume control. Loudness switch boosts bass dynamics at low volume.

STEREO POWER AMPLIFIER: Integrated circuitry. Handles 2 or 4 speakers. Total maximum output power is 46 watts at 400 Hz (23 watts per channel).*

HOUSING: Dimensions are 27 1/2 in. long x 8 1/2 in. wide x 1 1/2 in. deep (cassette section depth is 2 1/2 in.). Vinyl-clad polyurethane and black-finish steel. 4-position dome/map light. "Power ON/OFF" switch.

INSTALL: Fits most domestic and import vehicles (incl. vans) with center dome lamp located between 18 1/2 in. and 26 1/2 in. from windshield. Some vehicles may require cutting or filing for installation. Hardware, instr., operating manual included. 12-v. negative ground only. Speakers not incl., sold below.

FULL 1-YEAR WARRANTY SEARS EXERCISER, SIDE RAILS AND DIGITAL EXERCISE MONITOR: For one year from date of purchase, if failure occurs due to defect in material or workmanship in item, contact the nearest Sears store in the United States and we will repair or replace item free of charge. This warranty does not apply when used commercially or for rental purposes. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

NOTE FOR EXERCISERS ON PAGES 445, 447: Many doctors recommend a planned regimen of exercise and health care for improved health and physical well-being. Exercise regularly and plan your diet to reduce calories. Proper exercise and health care under the advice of your physician, depending on the type of exercise and equipment used, can help stimulate circulation, increase endurance, improve muscular coordination, strengthen, firm up and tone your body. Not all items have proven health benefits. See specific item descriptions for details. Sears exercisers are designed for home use, not for commercial establishments. They are not prime sources of weight reduction and should be used in a program of diet and exercise planned by a doctor.

SEARS GUN POLICY

Sears will accept any order for air guns, firearms and ammunition by phone, but not through the mail. Orders must be picked up in person at a Sears Catalog Sales Store or Retail Store. Ammunition and air guns may, but firearms may not, be ordered or picked up outside the state in which you reside. We will not sell any air gun, firearm or ammunition to anyone under 18 years of age (however, some localities do require higher age). In states where the law allows sale of air guns to persons under 18, parents may make such purchases for their children. Sears does not sell any ammunition for use in handguns to anyone under 21. Proof of age must be shown when the order is picked up. Federal gun registration is not required for air guns. All sales subject to Federal, State and Municipal laws.

PREPAID NOTE

Sears pays all transportation costs from the Distribution Center to your pick-up point (a Sears Catalog or Retail Store). This applies to all guns, gunscope combinations and ammunition sold in this book, but not to accessories or scopes sold alone.

Indoor-outdoor Roller Skates for family fun

- ➊ Replaceable toe stops
- ➋ Die-cast aluminum trucks mounted on rubber cushions
- ➌ Lightweight 1-piece aluminum sole plate for sturdiness, durability
- ➍ Adjustable king bolt allows you to control turning response
- ➎ Stabilizer bar for added truck durability

Full-ground Precision Bearings—greased and sealed. All bearing surfaces polished to reduce friction and twisting to provide maximum control.

Sealed-greased Bearings—grease lubricated to improve bearing life. Sealed construction to keep out dirt.

Loose Ball Bearings—non-lubricated bearing with open construction. Requires periodic cleaning.

Steel-clad Backboard

Fiber glass-clad Backboard

(1) Basketball Goal Post with detachable or permanent mount ... adjustable from 6 to 10 feet with a 32-inch overhang

CONSTR. 3 1/2-in. diam. 3 pieces on permanent mount, 4 pieces on detachable mount. Galvanized tubular steel post with plastic cap. 2 vertical sections join at middle with 2 directional bolts to form a solid structure. Top length of post is joined with U-bolts, forms 45° angle to vertical post to give 32-in. overhang for drive-thru on layups. Loosen U-bolts to adjust height from 6 to 10 ft.

INSTALL: Permanent mount post fixes permanently in ground with concrete purchased locally. Bottom section of detachable mount post fits snugly into ground sleeve. Ground sleeve sets in concrete at ground level so pole is easily removed. Mounting bracket (incl.) fits all backboards (not incl., order at right). Comes in 7x73x10 1/2-in. carton.

The EFFANBEE™ Legend Series

One-year only collectibles for the 1982 Season

"Come up and see me
sometime, Big Boy"

The incomparable Mae West

Sassy as ever with
alluring eyes,
a trailing boa and
a grin you'd bet was real

Dazzling Mae has been sculptured and designed by the famous dollmakers, Effanbee™, to capture everything from her famous figure to her delightful smile. She wears a sleek black gown with cascades of lace and a decorative black bow. Her glamorous boa is draped casually about her shoulder, just to the point where her glittery "diamond" necklace won't be missed. Mae carries a struttin' cane that's sure to bring back memories of vaudeville. Vinyl body, jointed arms and legs, painted features and rooted hair. 18 in. tall.
